Panoramas on the Val Durand, fording on the stream, springs and wash-house, many thatched cottages, landscapes alternating the plain and the valley.

- 1 Back to the town hall, cross the Departmental Road (**beware of the traffic**) and follow it to the left. At the entrance of the holiday residence, turn right and go straight across the agricultural plain.
- 2 At both intersections, continue straight ahead.
- 3 At the tarmac, take the small road to the left and immediately to the right to go straight along the valley.
- 4 At the entrance to the bend, go down the path to the right through the woods and cross the stream.
- 5 Take the main road to the right, go under the bridge of the national road and in front of the laundry.
- 6 Go up the small road on the right and enjoy the panorama.
- 7 At the top, turn right to cross the countryside straight ahead.
- 8 Cross the D6178 (**beware of the traffic**). Take the path between cultures opposite to you. Turn right at the first crossroads and then turn left to find the holiday residence and the village.
